

The Airspace & Safety Initiative (ASI) is a joint CAA, NATS, AOA, GA and MoD effort to investigate and tackle the major safety risks in UK airspace.

**“every time I fly I make sure
my transponder is set to ALT
and you should too”**

Joe Pasquale
Yak pilot and comedian

flick the switch every trip - turn on ALT Mode C - for an added safety benefit - you can then be seen by another aircraft's collision avoidance systems and ATC have more information to help them assist you.
