

Hawarden

Radio Mandatory Zone (RMZ)

Hawarden Radar

Phone 01244 522012
 SMS 07786 208 291
 Email atcopshawarden@airbus.com

Frequency **120.055 MHz**
 Frequency Monitoring Code (FMC) **4607**

Check the Radio Mandatory Zone requirements before your flight.

For flight within the RMZ aircraft commanders must comply with one of the following:

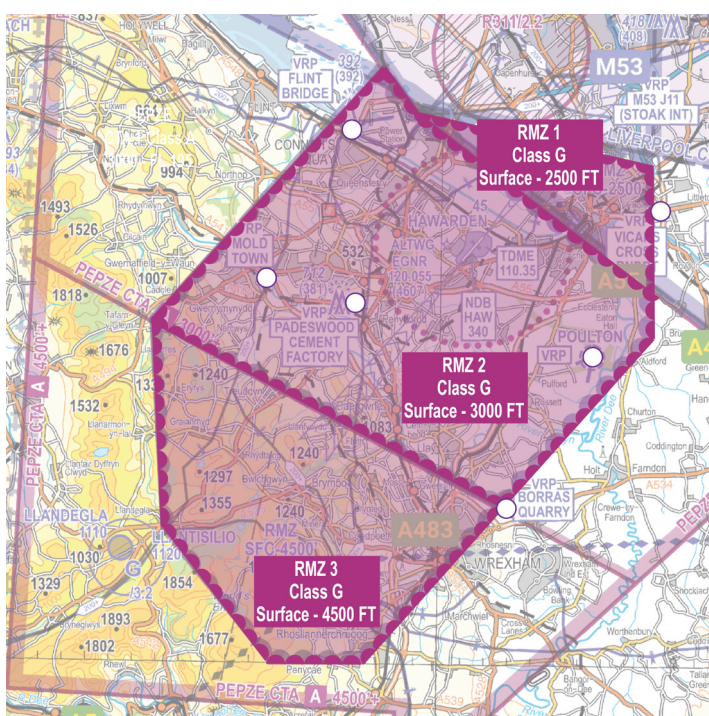

- Radio** Establish 2-way communication with Hawarden Radar, provide flight details before entering, and maintain communication within the RMZ; or
- FMC** Display Hawarden FMC (4607) with mode C (if available) while monitoring Hawarden Radar on 120.055 MHz before and within the RMZ; or
- No-radio** Contact Hawarden ATC by phone, text, or email before flights entering or crossing the RMZ; or
- Letter of Agreement** Follow the guidelines of a valid letter of agreement.
